FROM THE DEAN

This past weekend I had the opportunity to attend a Dean's Retreat in Framingham, Massachusetts, for all of the Region I Chapter Deans. It was a very productive time of planning and sharing. As I reflect on the weekend, three things stand out in my mind, and I would like to mention them to you:

1. You can go to our national website at www.agohq.org and it will provide an opportunity for you to assist the hurricane victims. I found the Dean's message particularly interesting.
2. Anyone who wants to take the service-playing exam should "go for it." Someone will come from Boston to teach a class for any and all who are interested, and he says that he "can help anyone to pass." (Let me know of your interest so that I can arrange this.)
3. National has issued a Chapter Challenge for the "Each One, Reach One" campaign. The challenge is four-fold: 1) Appoint a Membership Coordinator. 2) Implement ideas from the list of "100 Ways to Encourage and Maintain Membership." 3) Establish an internet presence. 4) Have a net increase of at least 5% among the voting membership. I will need everyone's help in meeting the challenge put to us by National. So, you will be hearing much more about this throughout the year.

Martha

HELP FOR AGO HURRICANE VICTIMS

The American Guild of Organists is developing a program to provide support to AGO members displaced from homes and jobs due to Hurricane Katrina. A website has been established to provide job listings and services available to members of the New Orleans and South Mississippi Chapters at www.agohq.org/chapters/hurricanekatrinarelief. To submit information for this website, e-mail hurricanerelief@agohq.org. All donations received for hurricane relief will be allocated to support AGO members and chapters affected by the storm. Checks made payable to AGO, with memo line marked "Hurricane Relief" may be mailed to AGO National Headquarters, Hurricane Relief, 475 Riverside Drive, Suite 1260, New York, NY 10115. Contributions can be made online at www.agohq.org/contributions.
